Senior Operations Manager

#### **Important Conditions**

This certificate is valid only for works executed in the Republic of South Africa. As TAL do not supervise or monitor the work executed by this Registered Applicator and the nature of each application is different, this certificate should not be taken to be an endorsement by TAL as to the quality of work performed. This certificate can be withdrawn at any time.

To confirm its validity contact TAL by email at [taltech@tal.co.za](mailto:taltech@tal.co.za) or call 0860 000 825
